

# THE WORLD OF INTERIORS

JULY 2024 £5.99

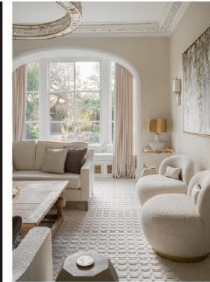

**RESIDENCE INTERIOR DESIGN**  
Natural, contemporary interiors with an emphasis on architectural integrity is the ethos of this award-winning practice, founded by Stephen Dick, member of the BIID. Intuitive configuration, distinctive decorative details, and tailored designs which reflect each individual client are its hallmark – resulting in spaces that fuse elegance and longevity.

**THE BLUE PEARL IBIZA**  
'Can Ciska: Renovating Architecture with Flair.' This project turns the space into a vibrant stage, blending colours, textures, and materials. Each area gets a unique identity while staying cohesive, with natural stone floors, aged pine carpentry, warm tones, and rustic-modern furniture. Blue Pearl, a respected firm, has full creative control over interiors and exteriors, ensuring excellence and innovation in design and construction.

**PRINGLE & PRINGLE**  
Pringle & Pringle are a Surrey based interior design studio working across the UK. They create inspiring home interiors that express their clients' personalities and nurture wellbeing through exceptional functionality, comfort and beauty. Bespoke kitchen, bathroom, architectural detailing and joinery designs are an integral part of what they do.

**ALLISON THOMPSON INTERIORS**

is located in Los Angeles, California. Her design approach is holistic, integrative and user-friendly, focusing on how a well-designed space can influence an individual's experience. For this outdoor space located in Calgary, Canada the designer sourced Kingsley-Bate outdoor furniture to create an elegant English garden feel that reflects the style of the interiors of the historic 100 year-old house.
