24. ALLISON THOMPSON INTERIORS is located in Los Angeles, California. This project involved the renovation of a basement in a house over 100 years old. Custom millwork was designed to modernise the space while providing ample storage and display options for the client's extensive record and glassware collection. To add charm and character, new blown glass design items from Europe by Utopia Utility were incorporated into the décor. Photography by Kelly Hofer. Visit www.allisonthompson.xyz and follow @allisonthompsoninteriors on Instagram.

25. REBECCA MILNER DESIGN specialises in surface design for wallpapers, fabrics and interiors, including a range of nursery-themed wall art. Using a combination of digital and traditional media, her charming patterns feature animals, plants, and architectural elements. Her designs are available for licensing and purchase.
